## ABSTRACT:

PURPOSE: To obtain the titled refined SAKE having a flavor entirely different from that of the conventional refined SAKE, by saccharifying rice KOJI, fermenting the saccharified KOJI, pressing the fermented KOJI in the course of the fermentation, adding yeast or yeast culture to the pressed liquor, and fermenting the resultant liquor, etc. to adjust the flavor extract.

CONSTITUTION: Rice KOJI is saccharified, fermented and pressed in the course of the fermentation. Yeast or yeast culture is added to the pressed liquor to saccharify and ferment or only ferment the liquor. Thus, the aimed refined SAKE is obtained.

EFFECT: Good tasting.
